

SHASHANK MUNI TULADHAR

PRODUCT DESIGNER / DEVELOPER

Sanepa-Gusingal, Lalitpur • 9860800583 • tuladharshashank2@gmail.com • [Portfolio](#) • [LinkedIn](#) • [Github](#)

Computer Science graduate with experience in UI/UX design and full-stack development, specializing in React, Node.js, MongoDB, Python, and AI-powered applications. Experienced in building production-oriented web and mobile applications, with a growing focus on AI integration, RAG systems, and intelligent developer tools. Looking forward to build meaningful product that looks beautiful but also work smoothly to the users. Always Curious and Learning.

AREA OF EXPERTISE

Design: Product Design, Figma, Figjam, UX Research, Miro, Photoshop, Indesign

Programming Language: JavaScript, Typescript, Python

Development: React, Nextjs, Express.js, Node.js, LangChain

AI & Data: RAG, LLMs, LangChain, MongoDB

Tools: Git, Github, Postman, Docker

WORK EXPERIENCE

UI/UX Designer / Developer Associate – Tudoholic, Kalimati, Kathmandu (August 2026 – September 2026)

- Worked on Redesign of Front Web Store by creating a systematic Design System to maintain consistency.
- Drive CRO growth through carefully researched and proven UX Studies.
- Converted the redesign into full code through the help of Shopify.

UI/UX Designer – Ikigai Technology, Baneshwor, Kathmandu (November 2025 – August 2026)

- Designed and developed responsive user interfaces for multiple web and mobile projects based on client requirements.
- Presented project designs and progress directly to clients, gathering feedback and translating requirements into actionable design and development changes.
- Implemented frontend interfaces from Figma designs and collaborated with developers to deliver consistent, production-ready experiences.
- Participated across the product lifecycle, from requirements gathering and UI/UX design through frontend implementation and client feedback.

Stake Holder Manager - Incoming Exchanges / General Member - Marketing – AIESEC in Nepal, Hybrid Based (September 2024 – July 2025)

- Supported project marketing and led school outreach by pitching programs, establishing partnerships, and managing relationships with school stakeholders throughout project delivery.

Graphic Designer / Social Media Handler – Youth Thinkers' Society, Kumaripati, Lalitpur (November 2022 – August 2024)

- Created digital and print communication materials for social-impact projects, managed social media content, and served as a Graphic Designer for EIMUN, a large-scale international Model United Nations conference.

EDUCATION

Bsc (Hons) Computer Science – University of Wolverhampton (Herald College Kathmandu), Naxal, Kathmandu (September 2023 – June 2026)

Graduated with First Class Honours

+2 Science (PCM) – Global School of Science, Baneshwor, Kathmandu (July 2020 – April 2022)

Completed with GPA 3.55

LEADER AND ENGAGEMENT

- Completed an international volunteering program in Vietnam, contributing to English education and cross-cultural exchange.
- Selected to showcase MoodSync, an AI-powered mobile application, at the university's Final Year Project exhibition.
- Served as Logistics Vice President at Youth Speak Forum, coordinating event logistics and on-ground operations.
- Organized multiple Model United Nations conferences and served as a Vice Chair and moderator across various MUNs.
- Completed freelance graphic design projects for organizations and events, delivering digital and print materials to client requirements.

LANGUAGES

English, Nepali, Hindi
